POSITION AVAILABLE

Part-Time IT Volunteer

Background to Great Lakes Peace Center (GLPC)

We are a small, youth-led peacebuilding organisation working with communities across Kasese. Our mission is working at the grassroots level to empower individuals, families and communities to challenge social evils, have their voices heard and improve stability while contributing to sustainable development of their communities.

Who is this role suitable for?

We are looking for an individual who shows passions and interest in IT. This role is particularly suitable towards a university or college student looking for a placement, or a recent graduate looking for first-hand experience with IT. The hours of commitment required each week will vary, but will not exceed 8 hours. We are looking for someone who has already begun to develop their skills, particularly on managing websites.

Responsibilities

- Managing the back-end of our website, including making regular updates including projects and photographs.
- Supporting our team with any IT challenges they might face.
- Coordinating with the head of the IT department and their supervisor.
- Working directly with the communication and social media volunteer

Expectations

To complete all tasks set by you and your supervisor on time.
For work to be kept to a high, consistent standard.
Trust and confidentiality with any sensitive data or information.

What we will provide

Sufficient data bundles for the completion of GLPC work when you are working remotely.
Occasional field visits to project sites you show specific interest in.
Mentorship by your supervisor to ensure self-development during your time with GLPC.
Certification of completing time as a GLPC volunteer.
A full reference.
Transport refund during field activities
Refreshments while at Office

If you would like to apply for this role, please email info@greatlakespeace.org with your CV and a cover letter. The deadline is Monday 7th December at 5pm.
